

## Music for Weddings at Amelia Plantation Chapel

We are pleased that you have selected The Amelia Plantation Chapel for your Wedding Ceremony!

Traditional Church Wedding Music is the style of Music used at Amelia Plantation Chapel. Some contemporary Christian music may be used during the ceremony. Secular and Popular music, both sung and played, should be used elsewhere other than in The Chapel Service, E.G. Reception, Rehearsal dinner etc. Please make your selections with this in mind.

The music listed in the Wedding Packet is interchangeable in regard to where it is used in the Chapel Service. Pieces marked as a Processional might be just as appropriate and pleasing for you as a Recessional. In addition, these are merely suggestions and you may feel free to offer your suggestions as well in this Traditional style of Church Wedding Music.

It's important to remember that the Wedding Ceremony is a Christian Worship Service and for that reason the music should reflect a Worshipful, Joyous and Serious attitude. There are an unlimited number of pieces which fall into that category. You may want to listen to Traditional church wedding music selections on You Tube or pick up an inexpensive CD of Traditional Church Wedding Music to find pieces that are appealing to you. No recorded music or recorded accompaniment for vocalists is allowed.

Vocalists, trumpet, harp, string trio/quartet, flute, classical guitar etc. are available for an additional fee. Booking should be done four months in advance or as soon as possible if closer to the Ceremony. These additional musicians do add beauty to the ceremony.

One piece of music is needed for each Processional and the Recessional. I have added an example for each. These can be listened to on You Tube.

1) Parents and Grandparents: *Jesu, Joy of Man's Desiring* J.S. Bach

2) Wedding Party (Pastor, Groomsmen, Bridesmaids, and Flower Girls Etc.):  
*Trumpet Tune* Jeremiah Clark.

3) Bride: *Bridal Chorus* Richard Wagner.

4) Music while lighting the Unity Candle, if applicable, *The Gift of Love* Hal Hopson.

5) Recessional at the end of the Ceremony, *Wedding March* Felix Mendelssohn.

Examples of music for a vocal soloist are: *The Lord's Prayer*, Malotte, *Ave Maria*, Schubert, *You Raise Me Up*, Josh Graban and *How Beautiful*, Twila Paris. You may choose others in this style of music.

All music should be chosen and sent for approval no later than six weeks before the Ceremony if changes are necessary. I am available to assist you with your choices and questions. A thirty minute Prelude is played on the organ, Piano or other instruments of your choice while your guests are being seated. The music is chosen from Traditional Church Wedding music literature.

I am looking forward to hearing from you and especially to playing for your wedding!
